709.22 (c) Annual Report – Fiscal Year 2022

The fiscal year 2022 from January 1, 2022, through December 31, 2022, was a period of growth for Step-By-Step Support, LLC (SBSS) as an organization. SBSS continues to maintain a robust client base.

Fiscal year 2022 also saw stabilization in terms of core staff members providing service. Susan Rua, CADC, MSPC, LPC continues to lead the organization with vision and commitment. Two key staff members, Alana Unrue, BSW (Counselor) and Pamela Birr, BA (Counselor) continue to provide services and manage their caseloads with professionalism and expertise. Victoria Akiode, BSW, also joined SBSS staff as a Counselor's Assistant and is providing services. SBSS is always looking for licensed and/or experienced mental health professionals to augment our team. SBSS has provided valuable internship opportunities to several students from the region who are majoring in psychology, behavioral health, social work, drug and alcohol counseling and a host of other disciplines.

As an outpatient provider, SBSS is unique because of its relationship with New Beginnings Transitional Living Foundation (NBTLF), a nonprofit tax-exempt organization that provides the very best in professional, safe, and supportive housing for people recovering from substance use disorders and mental health disorders. In the current fiscal year, from January 1, 2022 – December 31, 2022, NBTLF has obtained licensure as a recovery housing program. Although SBSS and NBTLF are separate entities, we have a symbiotic relationship that provides clients, families, and the communities we serve with a multitude of recovery and treatment supports.

Sincerely,

Susan A. Rua, CADC, MSPC, LPC
